Left Boulder UT this morning for Durango CO.

Write this down. This is your assignment. One time in your life drive from Zion NP as follows:

U.S. 9 east

U.S. 89 north

U.S. 12 east / north

U.S. 24 east

U.S. 95 east to Blanding.

Then go wherever you want.

U.S. 9

U.S. 89

The scenery is average but the cops are dummies.

U.S. 12

U.S. 24

U.S. 95

Sorry, these pics are totally inadequate.

To cap off our day's cruise we got stopped for road construction on 491. They had us sitting for 20 minutes. We were first in line for the next convoy down the open lane so the sign man came over to chat, and tell us how much power he had over the people in line. We agreed. We told him that's why we called traffic control guys *control freaks*, which he thought was hilarious. At first. Then he decided it wasn't a compliment and threatened to let everyone go but us. It was perfect. We are still laughing.
