One day left: Returned to Guadalupe Mountains National Park for a hike to Devil's Hall.

Morning. Temp started in the 40's but warmed up.

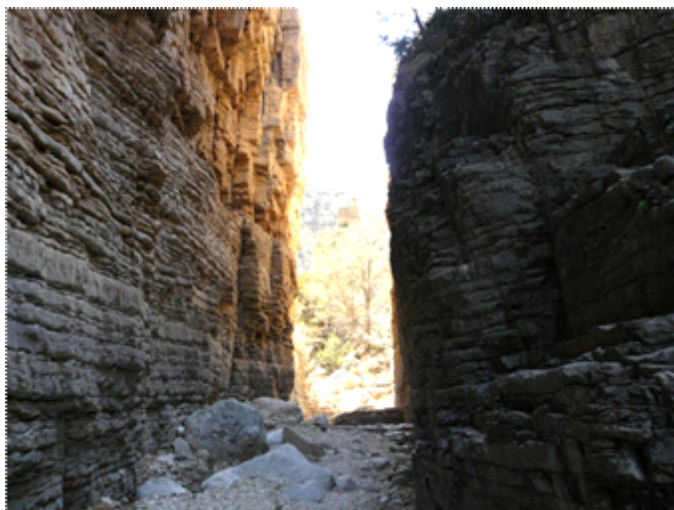

The trail. Wind gusted at 35-50 mph.

A view.

"Hiker's Staircase". Looks like stairs. Hah!

"Devil's Hall". Fell a little short of satanic.

Bird in Texas Madrone.

Prickly Pear living on the edge.

Tired. Good night.
