A fond look back on what Sheila has christened "The Imagination Vacation" because so many of the things we had planned we were left to only imagine.

Lunch at Fort Larned.

A favorite hike at El Morro.

A ride through Petrified Forest.

Visiting Vermilion Cliffs.

Hiking down to Supai Tunnel.

Our room overlooking Lake Powell.

Our reason to be in Vegas, Red Rock Park.

Our first time to Death Valley.

Trailhead relief in Sedona.

Picnicking in Oak Creek Canyon.

Seeing petroglyphs at V-Bar-V Heritage.

But we also imagined lots of other ways to enjoy. As you might have noticed.
