---

This morning we walked along the rim drinking coffee and eating bagels. Coffee is for sale in the cocktail lounge at Bright Angel Lodge. You can get a 12 oz. or a 16 oz. with free refills before 11:00. Well duh. We got 12 oz. coffees.

Presumably the sun was coming up.

Went back to the bar for refills. It was 7:33. Whew!

Said good morning to the mules. Pitied the mule riders who were old and cold and, once they had mounted, no longer bold.

Said good morning to the elk and laughed at his fuzzy antlers. He couldn't hear us or didn't mind.

I did the wash while Sheila gabbed on the phone.

Ow! Ow! Stop hitting! OK, OK! ...We did the wash together. Alright, alright! ...I put in the quarters.

See you in a few days.
