Bear Mountain.

On the way up the trail we met a guy wearing a Toronto Blue Jays shirt. He was sad. So we told him we're from Kansas City. He was mad. That was fun.

A ground squirrel took our picture when we ate lunch.

On the way down the trail we met a guy from Milwaukee who was a Cubs fan. He was sad. So naturally we told him we're from Kansas City. He got *waysad*. That wasn't as much fun.

Bear Mountain is a really hard hike and we are tired.

Good night.
