Greetings from San Antonio.

*Hey, cool!*

*River Walk?* No.

*Alamo?* No.

Sorry guys, this is San Antonio, New Mexico.

We're staying at a place called Fite Ranch, a working cattle spread with a long history.

The B&B is in a building that used to be a brothel.

Needless to say, Sheila is never out of my sight.

*So, what's up with all this?*

Tell you tomorrow.

Heh, heh, heh...
