Subject: Postscript

---

You may have thought there were only two of us on this trip. Not so.

True, *Vici* did decide she wants to be a stay at home shopping companion.

But *Murray* went to the great used car dealer in the sky and in the process was spiritually transformed into a down payment.

This is *TJ Bogart*.

So far he is equally unresponsive to either "TJ" or "Bogie".

Thanks, Murray.
