We moved into our rustic Western Rim Cabin late yesterday. It's near the rim and we can see some of the canyon from our porch.

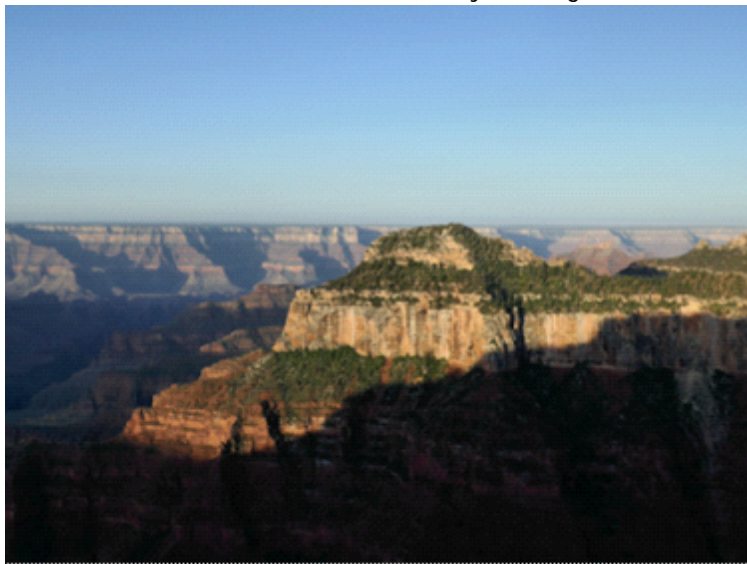

There is electricity, running water and a landline.

Today we did this:

Got up at 4:30

Drank coffee.

Watched the sunrise at the Grand Canyon Lodge.

Went to Point Imperial.

Stopped at Vista Encantada.

Drove the Roosevelt Point loop.

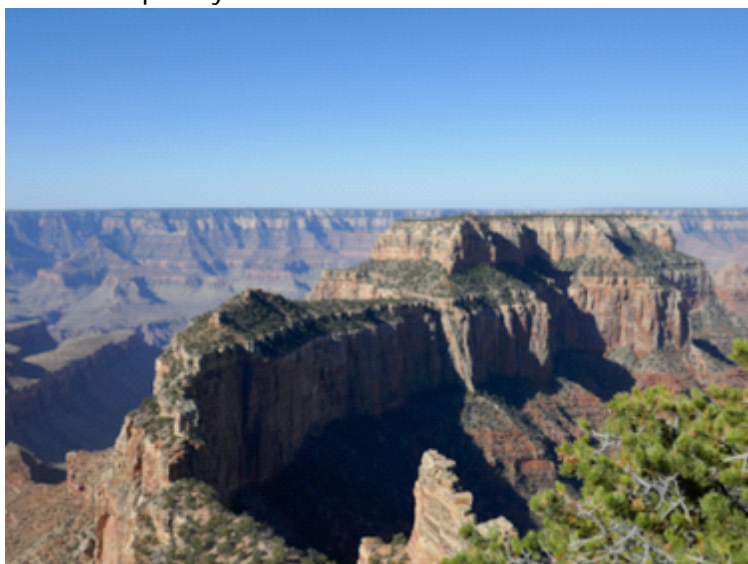

Saw the Walhalla Overlook.

Walked to Walhalla Ruins.

Went to Cape Royal.

Photographed Angel's Window.

Hiked to Cliff Springs.

Hiked the Cape Final Trail.

Ate lunch.

Sat on our porch.

Life is good.
