Subject: Postscript

---

In Española, New Mexico, is a Casino/Hotel owned and operated by the Santa Clara Pueblo. In the hotel is a restaurant called, simply, The Grill. It has the world's biggest slice of chocolate cake, thickly layered with frosting, ganache, chocolate chips, crumbled Oreos and whipped cream. There is a strawberry garnish.

Truth in Postcards: We couldn't do it.

Shouldn't have eaten the strawberry.
