Sand Canyon Trail runs through Canyon of the Ancients National Monument near Cortez, CO. The trail gives hikers access to some of the little ruins scattered throughout the Monument.

Things we saw:

Cairns for seniors.

Artsy rock with dead branch.

Cute, fuzzy bug that's actually a particularly nasty type of wasp.

A distant ruin.

A close ruin.

Ruin on a shelf.

Adjacent ruins.

A unique rock.

And no weird stuff. Time to go.
